

An Invitation to a Party!

The Clifton-Fairfax Station Transition in Place Services organization proudly invites all members, volunteers, and guests to an afternoon pot luck dinner to be held on June 14th from 5pm to 7pm. June's TIPS event this year will be held at the Fairfax Station Railroad Museum and the cost is free of charge. We are asking for those who are able to attend to please call and RSVP to Diane Mauthe at 703-266-3099 or email at mauthe5@cox.net or Nancy Simmons at nancysimmons@cox.net. We also ask that when you RSVP please have an idea of what you would like to bring. TIPS will provide drinks along with a lot of fun for a lot of people!

Our January event was quite a success and we look for this social to be the same. Our goal is get everyone together once a quarter in various arenas. If you have a community room in your neighborhood and would like to sponsor an event, please let Diane or Nancy know so we can start a list of places to entertain within our Clifton-Fairfax Station TIPS neighborhoods. We welcome your involvement and personal input as to the types of events you would like us to organize for you.

Please check out our website at www.cfs-tips.org for more information about our pot luck on the 14th as well as more general information about your Clifton-Fairfax Station TIPS organization.
